Everything works  
better when it's all  
**UNDER ONE ROOF**

# Our motto is PERCEPTION, PERFECTION AND BEAUTY

We focus on residential and commercial projects, specializing in interior and exterior works. We are committed to providing professional service and superior workmanship. The Works Under One Roof brings together works by architects, designers and skilled labours in a scheduled manner to save time and money under our technically skilled supervisors and QC's, so we can bring you a better services to power your business and life style.

## QUALITY

Deliver a **quality service** to maintain **excellent customer relations.**

## VERSATILITY

Our products are versatile in terms of its assembly systems. We have dedicated team of professionals who execute projects.

## INNOVATIONS

We always bring new trends and new designs in practice. We have technical experts who develop design and assemblies.

# SERVICE

Let City bring your vision to life with modular systems that set a new standard in Railings, Glass balustrades, Modular kitchens, Wardrobes, Glass works, Stair cases, Interior & Exterior design works and Pre-engineered building works.

*Pre-engineered steel works require a lower initial investment, lower maintenance cost once completed and are environment friendly as all materials can be recycled and other distinct advantage include quick construction time.*
